To the Board of Directors Loaves & Fishes Food Pantry, Inc. Charlottesville, Virginia

We have reviewed the accompanying statements of financial position of Loaves & Fishes Food Pantry, Inc. (a Nonprofit Organization) as of March 31, 2013 and 2012, and the related statements of activities, functional expenses and cash flows for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the reviews in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Notes to Financial Statements At March 31, 2013 and 2012

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES:

Nature of Activities:

Loaves & Fishes Food Pantry, Inc. is a 501(C)3 non-profit organization that offers USDA-provided food, food donated from churches and other local organizations, and food purchased with monetary donations to families in need within and around the Charlottesville community.

Basis of Accounting:

The Organization's financial statements are prepared on the accrual basis, in accordance with generally accepted accounting principles. Therefore, revenues are recognized when earned rather than when received and expenditures are recorded when incurred rather than when paid. Expenditures are capitalized as assets when the expenditure in one period can be seen as providing benefit to the Organization in future periods.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amount and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation:

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> - Net assets that are not subject to any donor-imposed stipulations. At March 31, 2013 and 2012 the Organization reported unrestricted net assets of \$207,450 and \$148,336, respectively.

<u>Temporarily restricted assets</u> - Net assets subject to donor-imposed restrictions on their use that may be met either by actions of the Organization or the passage of time. At March 31, 2013 and 2012 the Organization had no temporarily restricted net assets.

<u>Permanently restricted net assets</u> - Net assets subject to donor-imposed or other legal restrictions requiring that the principal be maintained permanently by the Organization. Generally, the donors permit the Organization to use all or part of the income earned for either general or donor-specific purposes. At March 31, 2013 and 2012, the Organization had no permanently restricted net assets.

Notes to Financial Statements At March 31, 2013 and 2012 (Continued)

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

In-Kind Donations:

Donated food and equipment are reflected as contributions in the accompanying statements at their estimated values at the date of receipt. No amounts have been reflected in the statements for donated services because they did not meet the requirements for recognition in the financial statements. Nevertheless, a substantial number of volunteers have donated significant amounts of their time in the Organization's program services and fundraising activities. Noncash donations of food in the amount of \$841,103 and \$618,070 were recognized in the financial statements, for 2013 and 2012, respectively. Also a donation of a vehicle in the amount of \$12,500 was recognized in the financial statements for the year ended March 31, 2013.

Concentration of Credit Risk:

The Organization maintains its cash in bank deposit accounts at two high credit quality financial institutions. The balances are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Organization had no uninsured cash balances at March 31, 2013 and 2012.
